GARDEN COUNTY HIGH SCHOOL OSHKOSH, NEBRASKA

THE VERNON VAILE CAMPBELL MEMORIAL SPORTSMANSHIP AWARD

The Vernon Vaile Campbell Memorial Sportsmanship award was established in 1953 to honor the memory of Vernon Campbell, a graduate of the class of 1952. Vernon was killed in a farm accident shortly after he was graduated. Vernon's friends and friends of the Campbell family voluntarily contributed money to establish a memorial at his church and at Garden County High School. These contributions which included contributions from the Campbell family made possible the beautiful trophy which will always remain at Garden County High School.

Beginning in 1953 and continuing for twenty years at commencement exercises, the trophy will be prominently displayed and a prescribed bronze sportsmanship charm will be awarded to a graduating senior by whose name will then be engraved on the trophy.

The boy to receive this honor will be selected by the faculty committee whose duties include determining honor awards and they will base their judgment on the following elements of sportsmanship to secure uniformity during the twenty years that the award is to be made.

To receive the Vernon Vaile Campbell Memorial Sportsmanship Award, the Senior chosen must have met these qualifications:

1. He must have been a member of, or have participated in at least one organized athletic endeavor at Garden County High School.
2. His general citizenship must have been exemplary.
3. His real and demonstrated attitude toward officials, opponents, teammates, training, and coaches must always have been of the very highest acceptability in regard to proper behavior on and off the playing field or court.
4. He must continually demonstrate exemplary gentlemanlike conduct and leadership.
5. His attitude towards winning and towards losing must demonstrate emotional and mental control.
6. His loyalty to and cooperation with team, school, coaches and officials must be outstanding.
7. He must play the game for the joy of playing and never play for the plaudits and attention of the crowd.
8. He must be able to accept adverse decisions without becoming hurt but rather with a mature judgment and realization that a situation may look or appear different through another person's eyes.
9. He must always perform to the best of his ability, but this implies his best performance and does not necessarily mean that he must be an outstanding performer in comparison with other athletes.

Therefore in memory of Vernon Vaile Campbell and in keeping with the aforementioned attributes, we salute **JAMES C. ROBINSON**, winner of the award for the 1952-1953 school year.

James C. Robinson first recipient of Vernon Vaile Campbell Sportsmanship award.

One of the most attractive proms given at GCHS was given by the class of 1954. The theme was "Rooftop Gardens." Stars hung from the ceiling and skyscrapers dominated the theme. An enlarged glass of champagne stood on the south side of the stage while a large hat, gloves, and cane stood on the north side. Music was by Bob Calame and his orchestra.

If achievements are to be measured by efforts, then the Senior Class of 1954 should be congratulated for its many attainments. May its members go on to even greater success in the challenge of future citizenship.

OFFICE GIRLS

The girls who are majoring in Commercial, or who happen to have an extra library period are sometimes called upon to help in the school offices. This year all of the Seniors who enrolled for Secretarial Science use that period to work in these offices as well as several other girls who offer their assistance. They work in the Superintendent's office, the Principal's office, and help the various teachers with their records and correspondence. They say it is fun as well as educational!
